Date: 02/02/2022

### Department of Computer Science Report on "Cyber Security Seminar"

In this digital world, where children are increasingly wired to social media and the internet, the concerns of cyber security, cyber bullying, cyber hygiene are pertinent with this notation a one day Seminar on Cyber Security was conducted in YEWS National Senior College for BBA (CA) and BSc (CS), Arts, Commerce, BBA(CA) students and all Faculty members, The Seminar was conducted on **1<sup>st</sup> February 2022** to make aware them all about today's cyber crimes. BSC(CS) department hosted an interactive session by Cyber Security Expert, **Mr. Sunil Sadasivan**. He is a Founder of 'IT HUB and Service' and a master trainer cum consultant- IT(Judiciaries). He has conducted 360+ workshops so far in India. The Seminar was appreciated by 95 students and 13 Staff members. The seminar was started with felicitation of guest by **Dr. S.B. Nahire** sir (Principal of YEWS National Senior College). The session was conducted where he interacted with the students and staff and discussed about the trending apps and games. He explained about the legal aspects of accessing the internet like the legal age, ethics and rules of using social media and gaming. The staff and students were advised to handle real and virtual life judiciously. The audience was introduced to various terminologies like Cyber Bullying, hacking, phishing, cloning, data theft, digital frauds and grooming. The difference between ethical hacking and hacking was clarified to the audience and the consequences of Digital Personification were told. Several case studies were shared with all and they were further sensitized towards privacy and security of data. The Cyber Laws of India were shared with the all. The resource person demonstrated live hacking and made them aware about various ways like two-step verification, comment control, using a strong password, etc that they can adopt in order to avoid Cyber Crimes. He concluded the session by sharing some tips for internet banking and safe online transactions. He also shared the website for reporting Cyber Crimes. Internet is a technology, not a toy and we should harness it carefully. Your safety is in your hands. Stay alert, stay safe!
