Report on "Project Session on PHP & MySQL"

Computer Application had organized a webinar on **"Project Session on PHP & MySQL"** on **29.01.2022** from **2:00 p.m. to 3:30p.m.** The technical expert for this webinar was **Mr. Ajinkya (Avinash) pethkar,** Software Developer having an experience of 3 years in Spring Boot, Microservices, Angular, PHP, Dot net, Swagger, Docker, Kubernetes, and Jenkins. Currently working in Techswitch India as Software Developer. Around 60 students attend the webinar.

Key Insights for Students:

- How create basic web page
- Use of CSS
- How to download & install Xampp server
- How to create Index, header, footer pages
- Menus creation
- Creating Database in MySql
- Connecting Database with web pages
- $connect,include,$query function with Demo
- Use of Templates in project.
- how to use Bootstrap Material Design free UI KIT

The session was interactive and positive and was highly appreciate by the students. Instructor was able to connect with the students. Their doubts were answered and the webinar is highly beneficial to the students. Feedback for the webinar was also collected. The students were provided e-certificate. This motivates students for their overall development. This has immense value in the Industry.
