Report “Kali Linux Webinar”

The spread of COVID-19 has affected almost all spheres of human life – physical, emotional, and economic. In India. Like every other crisis, we will ride this tide, adapt, and come out stronger. The pandemic has significantly disrupted the higher education sector as well, which is a critical determinant of a country’s economic future. Hence Computer Science Department had organised a **webinar on Kali Linux on 20.11.2021 from 3 pm to 4pm**. The resource person for the Webinar was Mr. Siddhant Gaur working as a certified Ethical Hacker in An Brothers E-Learning pvt. Ltd. 40 Students attended the webinar. The main aim of the webinar was to educate students about Kali Linux, the use of it in real world situations. He stressed on the point that everything is becoming automated, accelerated and augmented and in the near future objects will communicate more often than now.

The session was very much informative. The discussed areas were of great benefit for the students as the topic was very much relevant with the current scenario and working domain. Students were enlightened with the most widely used advance technologies in this domain. The webinar ended with Questionnaire session.
