**Report on "Big Data"**

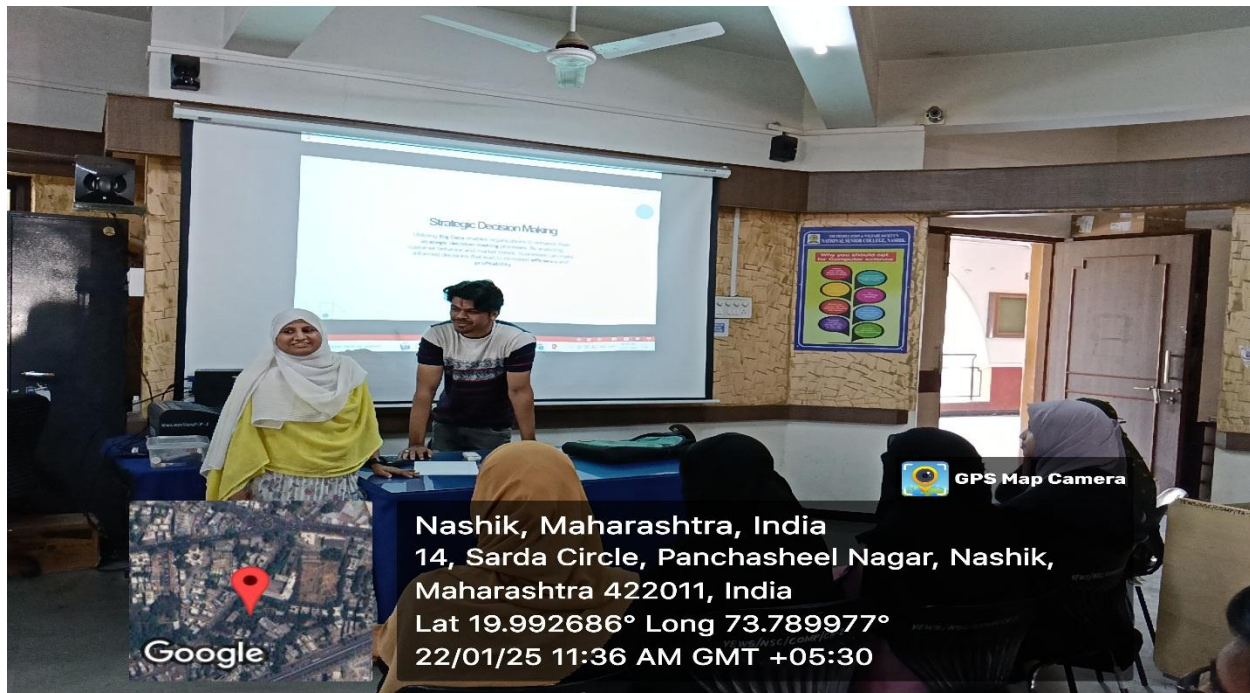

The Department of computer science organized a One-Day Workshop on "Big Data". The workshop was conducted on **22<sup>nd</sup> January 2025**. All the students of BSc (CS) participated in the workshop and enhanced their knowledge about the emerging technology Big Data. The Program began at 11.30 am with a welcome note by Nazmin Khan who welcomed the resource person, **Mr. Ansari Faizan (Working in Trueinception Pvt Ltd), Department HOD, Staff and 54 students** participated in the workshop.

The workshop began with an introduction to Big Data, its importance, and applications. The participants gained knowledge about Big Data tools and technologies. The fields like Machine Learning, Artificial Intelligence and Data Science and their uses in daily life were introduced to the students. Concepts related to social media analytics were undertaken, as a lot of students uses social media and it helped them to relate their daily norms with the Data Analytics. The workshop helped bridge the gap between theoretical knowledge and practical application of Big Data concepts. The speaker shared their industry experiences and provided insights into the latest trends and challenges in Big Data analytics. The participants provided positive feedback about the workshop, praising the speakers' expertise. The workshop helped prepare students for the growing demands of the industry and inspired them to explore the field of Big Data analytics further.
